Academic transcripts showing results in all subjects, including failures, must be attached for studies at institutions other than Flinders University. Applicants must upload a certified copy or original official academic transcript for all qualifications relevant to their application by the application deadline. Please include a grading key (usually found on the back of the official transcript).

Applications without transcripts will NOT be processed.

If you have set a PIN via my eEquals (this is optional) you will also need to supply this. If you wish to set an expiry date for access to the digital document please ensure the date selected is after 28 February 2021 as the University may need to access the document up to this time. For further information about providing official academic transcripts via My eEquals see: myequals.edu.au/faq/.

If any of the academic transcripts are in a language other than English, applicants must submit copies of both the original documents and full translations. Transcript translations must show results for all subjects undertaken. All translations must be certified by an independent accredited translator. It is an applicant's responsibility to comply with any requests to provide further documentation, either in the original language or translated into English.
